I. HISTORY OF 3RD AIR DIVISION:

Reference to Enclosure #1, Organizational Chart of the Third Air Division.

The 5th and 8th Fighter Regiments were formerly based at Milovice Airfield [] and moved to Line Airfield [] 15 May 1952. 25X1
This move included personnel, equipment and aircraft. The 16th 25X1
Fighter Regiment was formed later in August 1952, at Line Airfield.

[] 25X1
a short time prior to departing from Milovice Airfield, new Air Force personnel started arriving (number and source of personnel unknown).

The 14th and 19th Airfield Battalions which supported the 5th and 8th Fighter Regiments moved their personnel, and equipment to Line Air-25X1
field on 15 May 1952. The 20th Airfield Battalion arrived with personnel and equipment in May 1952 (exact date unknown).

their former base and they told him that they came from Ceske Budejovice Airfield. The 20th Airfield Battalion was later used to support the 16th Fighter Regiment upon its activation.

[redacted] the units at Line Airfield were called 3rd Air Division (Treti Letecka Divize) and were subordinate to a headquarters (designation unknown) located near Zbiroh /N 49-22, E 21-18/

25X1

25X1

[redacted] Line Airfield was under command of Zbiroh. Courier runs were made to Zbiroh (reasons unknown).

[redacted] Zbiroh headquarters unit [redacted] as part of a team chosen from Line to represent Line in a competitive obstacle course and gymnastic sport event in which other unknown Air Force teams also participated.

25X1

II. LOCATION AND AREA DESCRIPTION OF HEADQUARTERS IN ZBIROH:

Reference to Enclosure #2, Overlay of [redacted]
[redacted] location of Unknown Air Force Unit near ZBIROH.

25X1

25X1

(All distances and dimensions given below are approximate unless otherwise stated.)

1. Unknown Church in Zbiroh. Description and dimensions unrecalled, located approximately one kilometer west of the Zbiroh Air Force unit.

2. Obstacle Course. Approximately 250 m. long x 50 m. wide, located in a wooded area. This area contained obstacle barrier.

25X1

[redacted] Gymnastics was also part of the event. The event was won by the Ceske Budejovice team.

3. Unknown Building. Two-story, gray stuccoed stone with blue roof (further description and dimensions unrecalled). [redacted] part of the interior [redacted] was a kitchen and dining room. [redacted] Air Force personnel taking charge of the dining room and kitchen facilities. No further information.

25X1

4. Unknown Building. Gray stuccoed stone with blue roof (further description and dimensions unknown). [redacted] presumed [redacted] to be the Headquarters building. [redacted] it was Sunday [redacted] and [redacted] there was very little personnel activity. He observed few Air Force personnel (ranks unrecalled) and several Air Force vehicles, Tatra-128 and an Opel Kapitän passenger car parked around the building.

25X1

This was formerly known as Zbiroh castle. Buildings (Pts. #2 and 4, Enclosure #1.) were surrounded by a stone wall approximately two meters high by one half meter wide. An Air Force sentry armed with a 9 mm. sub-machine gun stood at iron gate which was located west end of wall. No further information.

III. PERSONNEL, EQUIPMENT AND STRENGTH.

[redacted] The airmen specialists (mechanics, radio operators, electricians, armorers and other unknown specialists) were included in the total personnel strength listed below for the fighter regiments.
